

MADAWASKA SCHOOL DEPARTMENT

LAPTOP PROTECTION PLAN

2007-2008 School Year

This year the Madawaska School Department is offering students the opportunity to take their laptop laptops home as well as proposing an optional laptop protection program for parents.

Replacement costs and/or repairs for damages that occur to the laptop and its carrying case while it is signed out are the sole responsibility of the parent/guardian. Replacement cost for a laptop would be approximately \$1000. Damage to the screen (the most expensive part of the laptop and one that is not covered by a warranty) can be up to \$800. This Laptop Protection Plan program will protect the laptop for many items that are not covered by the warranty and will limit your financial responsibility to a \$100.00 deductible in the event of a claim.
