January 2011

2011

Happy New Year!!

2011

**A Note from the
Principal's Desk. . .**

Dear Parents and Guardians,

Welcome back! Hopefully, everyone had a restful and peaceful vacation. I am sure everyone was anxious to get back to school. This is the time of the year when learning is optimal. It's hard to believe that we're almost half done the school year. How time flies.

Parents please remember that winter is here and the weather is cold, especially up on the hill. Also, if the temperature with the wind factored in is below zero, students will not be going outside.

Parents, can you remind your child that electronic toys such as game boys, itouch, etc are not allowed at school. These are expensive and we cannot take responsibility or guarantee that they won't get broken or misplaced. Therefore, they need to stay at home.

Our second round of NWEA testing for students in grades K-6 will begin on the 20th of January and will continue until the 4th of February.

It is that time of the year for the students in EC to change schedules. If your child has been attending school in the morning, then your child will now switch to an afternoon schedule. If your child has been attending school in the afternoon, then your child will now switch to a morning schedule. This schedule change will take place on Tuesday, January 25.

Have a great month of January. Remember: *Kind words can be short and easy to speak but their echoes are truly endless.* ~Mother Teresa

Sincerely,

Ginette Albert

This year we are continuing to collect
Box Tops and Soda Tabs.
Please send them with
your child to the MES Office.
Thank-you for your support!!

We are asking parents to label your child's clothing, such as jackets, hats, school bags, etc. Simply putting their name on these items will help to eliminate the abundance of items left in our Lost & Found

Dates to Remember . . .

January 17 - Holiday (No School)

January 24 - Early Release (12:30pm) No EC

January 25 - Early Childhood "Switch"

Jan. 20 - Feb 4 - NWEA Testing Starts(Grades K-6)
