March 2011

A Note from the Principal's Desk . . .

Dear Parents and Guardians,

We have quite a few things going on in March and here are some of the items. The first week of March we have been celebrating Dr. Seuss's Birthday with different planned activities that show the importance of Reading. Some of the activities include the students and staff dressing as their favorite character, wearing funny socks etc. This year our sixth graders will be guest readers for our students in the lower grades. Remember, reading to your child is one of the most important things we as parents can do to help our children to learn to love to read.

Our Early Childhood Registration will be on the 9th of March. If you have a child who is turning four before the 15th of October 2011, and have not made an appointment to register your child, please call the office (728-3635) to do so.

On the 10th of March there will be a parent/teacher conference day, students will come to school for a half day and then the conferences will start at 1 pm and continue until 7 pm.

There will not be any school on Friday the 11th of March; we will be having a teacher workshop.

Have a great month of March. "Education is the most powerful weapon which you can use to change the world." - Nelson Mandela
