

# Animal Safari~Read Program

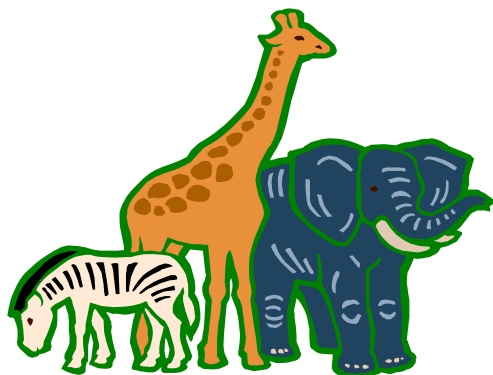

Dear Parents,

Starting March 1 and ending March 31, 2011 your child will have the opportunity to read about animals from all over the world.

For the "Animal Safari~Read" program, your child must read 5 books from the school or classroom library during this time period. You are invited to support your child by reading to or with them...or just encouraging them to participate. Your child will then meet with me and orally answer a few questions about the book he/she has read.

Students will receive a reading record/pamphlet to keep track of the books they have read. For each book they complete, they will receive a sticker. After reading 5 books, they will receive a certificate and a movie ticket. The movie ticket is good for a movie, popcorn and drink, this will be held in the cafe at the end of the program.

The "Animal Safari~Read" program is a good way for them to learn about other animals from around the world. Please encourage your child to participate.
