

AP UNITED STATES HISTORY PRESIDENTIAL OUTLINE

BREAKDOWN OF DATES

Please find below the list of Presidents and dates when these particular portions of your outlines are due. For example, Presidents Washington to Madison are due in September, this means that a **complete first draft** of these presidents are due the last class day in September. I will edit these drafts and make comments and return the drafts to you. This process had been implemented to help you finalize the outline due in June. These monthly drafts will be worth a homework grade. I do not expect a **final** draft until the day of the final in June.
