

## **AP US HISTORY (PRESIDENTIAL OUTLINE)**

After some deliberating, I decided to alter my plans for work done after the test. I am aware that you have 19 presidents yet to complete for your outline. Since this is such a large number, I decided that you should have first drafts of 3 presidents due to me each week of the remaining 5 weeks. (*The breakdown is below*) You will be graded for submitting it and how much detail you have included (i.e. how complete is the first draft). I decided to do this for your benefit. I hate the thought of all of you scrambling to get your last presidents completed the week of finals (as I know many of you will do.....I would, why wouldn't you). This is why I decided to bring a little more structure back so you will not be "overly" stressed on the night of June 17.

Please note, that all of you have bonus points. This means that if you have enough bonus points for one president, for example, one particular week you would only have to do 2 instead of 3 presidents (depending on the president you choose to omit). Incidentally, I have placed an asterisk on the presidents you **MAY NOT** opt out of.

We will still have historical movie days and/or presidential outline days (you will get to decide which you would like, I am amenable (SAT word, look it up) to either or both.
