

STUDY HALL EXPECTATIONS & PROCEDURES

Mrs. Theresa Cyr

(You shall not disrupt my teaching or anyone's learning!!)

EXPECTATIONS:

- ∂ Students will arrive to class with **ALL** the materials they need and enough work to keep them busy for the entire class time. Students without any work will be encouraged to grab a book on my shelves and read; otherwise work may be given to them to do.
- ∂ Trips to the library are only allowed with a prepared pass from their teacher. Whether I write any passes to the library during this time will be determined on an individual need basis only.
- ∂ Students are to report to study hall for attendance prior to being excused to see any teachers.
- ∂ Students are to remain at their seats. Working in groups will be at my discretion determined on an individual need basis only.
- ∂ Being allowed to go to the restroom or nurse will also be determined on an individual need basis only.
- ∂ Laptop use will be for assignments only and will be monitored. It will not be for aimless searching on the web or playing games.

PROCEDURES:

1. Students will enter the classroom and go immediately to their seats while attendance is being taken.
2. I will then ask if anyone has any passes and those will be excused.
3. If you don't have any pass to leave the classroom, then you are to begin work immediately.
4. Students are to remain in their seats until excused by teacher. *The bell does not excuse the class.*

Consequences for not following the above expectations and procedures are as follows:

- 1st offense – Warning
- 2nd offense – call home and 15 minutes after school
- 3rd offense – call home and 30 minutes after school
- 4th offense – Visit with Mr. Garon
